

Programme annual CaRe day, Tuesday June 11th 2013
Location: University Maastricht Tongersestraat 53, Maastricht

Challenges in health care: quality, accessibility & affordability

Programme

Chairs: prof.dr. Guy Widdershoven and prof.dr. Nanne de Vries
Registration and coffee: 09.00 – 09.45

Plenary session (Auditorium)

09.45 Welcome (Prof.dr. Nanne de Vries, CAPHRI)

10.00 Sustainable care: fact or fiction? (Prof.dr. Dirk Ruwaard, Maastricht University)

10.30 Challenges in health care (Prof.dr. Ab Klink)

11.00 Coffee Break

11.15 Doing it all. Affordability through regulated competition (Dr. Patrick Jeurissen, *Nijmegen University*)

11.45 Discussion

12.15 Evaluation of PhD Supervision (organized by POC)

13.00 Lunch

13.45 Parallel sessions

Presentation of PhD projects (CAPHRI, EMGO, NCEBP and NIVEL)

Session 1. Cost of CaRe (Room H.O.06)

13.45 Cost-effectiveness and financial return of a mindfulness-based worksite intervention aimed at improving work engagement: results of a randomized controlled trial (Johanna M van Dongen EMGO+)

14.15 Side-effects of antiepileptic drugs: The economic burden (Reina JA de Kinderen and Prof. dr. Sivilia Evers, CAPHRI)

Session 2. Quality of CaRe (Room: Auditorium)

13.45 Determinants of provider choice by patients; the effect of the proximity of choice alternatives (Dr. Jany Rademaers en Aafke Victoor (NIVEL)

14.15 Realising biopsychosocial chronic care: how to identify patients for psychosocial self-management support? (Drs. Anneke van Dijk en prof.dr. Trudy van der Weijden, CAPHRI)

14.45 Coffee/Tea Break

15.00 Parallel sessions (continued)

Session 1. Cost of CaRe (Room H.O.06)

- 15.00 Purchasing healthcare: Theory and Practice (Dr. Judith de Jong en Stef Bouwhuis, NIVEL)
- 15.30 Efficiency research: conceptualization and (some) methodological biases. An example of a cost-effectiveness study: The cost-effectiveness of abatacept, rituximab or anti-TNF alpha for patients with Rheumatoid Arthritis (Eddy Adang, PhD, and Sophie Manders, NCEBP)

Session 2. Quality of CaRe (Room: Auditorium)

- 15.00 Transforming institutional psychogeriatric day care into easy-access community-based support centres for people with dementia and carers (Marijke van Dijk, EMGO+)
- 15.30 Are patients discharged with care? Cultural barriers and appropriate interventions (Gijs Hesselink, MA, MSc, NCEBP)
- 16.00 Quiz
- 16.30 Plenary session:
- Presentation CaRe Dissertation Award
- Installation of the new Scientific Director of CaRe
- 17.15 Informal drinks
