Language: English

10.00-10.30 Welcome and registration

10.30–10.45 Opening by Prof. Onno van Schayck, Scientific Director CaRe

10.45-11.30 *Going one step further: societal impact of research*
 Dr. Radjesh Manna, director ZonMw Programs
<https://www.linkedin.com/in/radjesh-manna-05433a6>

11.30-13.00 *Workshop 'Creating impact ... The fun of valorization'*
 Diane Schöller, business development manager at IXA office VU-VUmc.
<http://www.ixa.nl/en/about-ixa/team/diane-schoeller.html>
 Science is in transition. Evaluation protocols and scientific indicators are discussed, e.g. substantial number of research is declare to be waste by the Lancet. In this session you can learn more about societal impact and valorization, and share ideas in a hands-on workshop.

13.00-13.45 Lunch

13.45-14.30 *Publish or perish? Evaluating research outcome in the future*
 Prof.dr. Hans Bennis, KNAW-member commission Standard Evaluation Protocol (SEP)

14.30 -14.45 Presentation of Top 3 Care Award 2016 Candidates

14.45-15.00 Presentation of Winner CaRe Award 2016

15.00-15.30 Coffee/tea break

15.30-15.45 Walk to Minderbroedersberg 4-6, Maastricht

16.00-17.30 Inaugural lecture by prof. Fiona Godlee, editor of the BMJ
Location: Maastricht University, Aula, Minderbroedersberg 4-6, Maastricht

17.30 Drinks
